Profile

Award-winning designer, researcher and artist with a passion for collaboratively bending, twisting and pushing the capabilities of technology through user-centered design and creative experimentation

Experience

Designer & Researcher; IBM Research; San Jose, CA – 2016–Present

Pioneering design-driven processes and leading UI/UX, data visualization and tangible user interface design for R&D projects covering emerging technologies; research interests aligned to artificial intelligence-driven design (including ethics), speculative design and arts-based research

Adjunct Faculty; San Jose State University; San Jose, CA – 2016–Present

Lecturer and MFA/BFA thesis advisor for SJSU's Digital Media Art program; teaching courses and workshops in motion graphics, software art and design

Adjunct Faculty; University of Southern California; Los Angeles, CA – 2014–2016

Lecturer in USC's Media Art + Practice Division and taught first-of-a-kind, self-authored course on bridging user experience fundamentals with critical theory

User Experience Design Lead; IBM; Cupertino, CA – 2014–2016

Created an accelerated design thinking methodology to scale the design and production of over 100 enterprise iOS/watchOS applications as part of the Apple+IBM partnership; facilitated design workshops with Fortune 100 clients; led and oversaw the UI/UX effort of teams globally

Lead Creative Designer; Kadenze; Santa Clarita, CA – 2013–2014

Crafted the identity and design language, managed a team of designers and instilled design processes for an arts-based EdTech startup

Designer (Contract); Google, Inc. (Agency Team); Venice, CA – 2012–2013

Designed and implemented an internal data-driven web app to manage creative assets

Design Technologist (Contract); Smithsonian Institute; Boston, MA – 2012–2013

Designed and built the web-based exhibits *Stories From Main Street* and *Stories of World Heritage*

Senior Creative Technologist; Hill Holliday; Boston, MA – 2011–2012

Led creative development of immersive ad campaigns for Dunkin' Donuts, Liberty Mutual and more

Interaction Designer; IBM iX; Cambridge, MA – 2009–2011

Founding member of Accelerated Visioning group—the first rapid prototyping service design group in the consulting division of IBM; led interaction design for award-winning B2B and B2C engagements

Interactive Designer & Developer; Modernista!; Boston, MA – 2009

Collaboratively devised bleeding-edge digital ad campaigns involving motion graphics and gaming

Interactive Designer & Developer; Paid Inc; Boston, MA – 2007–2008

Spearheaded data-driven web experiences for artists including Aerosmith, Run-DMC and others

Education

California Institute of the Arts; Valencia, California – MFA in Integrated Media, 2014
Boston University; Boston, Massachusetts – BA in Economics, BA in Music, 2009
